processed. Returned payments (includes returned credit card payments) are subject to a \$30 Non-Sufficient Funds fee. For more information on payments, please visit

<http://international.humber.ca/study-in-canada/after-acceptance.html#spot1/accept2>

- Your tuition deposit due date and confirmation date are specified on your offer letter. You must pay your tuition and confirm your offer by these due dates to secure your seat in the program.
- Payment is required on or before the fees due date. Fees paid after the specified due date will be accepted pending program availability. Please pay in Canadian dollars.
- Payments made will be applied to any outstanding balance first. All fees including outstanding balances must be paid before course registration is permitted.
- Program fees will be assessed after course registration. Deposit payments are applied to program fees balances within 24 hours of course registration. Refunds will be issued to students assessed program fees, less the administration holdback after the tenth official day of the start of the term.
- Additional program fees may be assessed if a student registers in additional courses over their semester allotment (includes courses previously attempted, courses not previously attempted, required remedial courses and required supplemental courses).
- Standard program fees by semester (including Mandatory Non-Tuition fees), are specified at www.humber.ca/fees.
- Health insurance fees are mandatory and cannot be split. They are paid as part of the first semester fee each academic year and are non-refundable after the 10th day of class.
- After the balance of program fees due date, Humber is authorized to pursue any remedies authorized by law to obtain payment including the release of any personal information held by Humber to any outside Agency for collection purposes. Further, Humber is authorized to withhold the issuance of any documents or records held by Humber, including final marks and official credentials, until payment is received in full.
- Your tuition fees are transferable up to two times within an academic year (September-August), provided you make the request prior to the 10th day of classes. After two deferrals an administration holdback will be applied.

REFUND INFORMATION*

It is the student's responsibility to become familiar with the Academic Regulations. To view the regulations please visit: <http://www.humber.ca/content/academic-regulations.com>.

If you withdraw from your program, we strongly advise you to consult with the International Centre, as withdrawing may affect your status in Canada.

Refund requests must be submitted to the International Centre on or before the tenth official day of the term. There are no refunds after the tenth official day of the start of the term, and students are liable

for payment of outstanding fees. There are no exceptions to the refund policy for students who register late. Full-time tuition fees are a package cost, and dropping a course(s) does not qualify for a refund if you remain in full-time status (this includes students approved for Transfer credits). Unused credits are not transferrable from one semester to another.

Please note that, for full-time programs, \$1000 of the first-term payment is automatically withheld once payment is made. (For each level of the English for Academic Purposes (EAP) program, \$500 is automatically withheld.) If payment is applied to a future term, and the refund request occurs after the Fee Due Date for the future term, \$1000 (or \$500 for EAP) is automatically withheld. Refunds will be processed using the same method by which the payment was made. Refund of fees originally paid by wire transfer, telebanking and cash will be issued by cheque.

INTERNATIONAL REFUND POLICY*

1. If you have not received a decision on your study permit application, or are unable to attend classes by the fifth (5th) day of class, you must notify the International Centre before the tenth (10th) official day of the semester in writing in order to be eligible for a refund. You will be charged a \$1000 CAD administration fee for full-time programs or \$500 for EAP.

If Canadian Immigration denies your visa/study permit then you will not be charged the \$1000 or \$500 CAD administration fee. **You must include documented proof from Canadian Immigration that the visa/study permit was denied.** Please scan the visa/study permit denial letter and attach it with your email request for a refund to international@humber.ca. **ALL REFUND REQUESTS MUST BE SUBMITTED BY THE TENTH (10th) OFFICIAL DAY OF THE SEMESTER.** Any requests received beyond this date will be denied. No exceptions to the refund policy will be made.

2. If you receive your visa denial too late to submit by the tenth (10th) day of the semester then you still must submit a refund request without the visa denial by the tenth (10th) official day of the semester. You will have until the thirtieth (30th) day of the semester to submit a second refund request with the visa denial to be eligible to receive the administration fee (\$1000 CAD for full-time programs, \$500 for EAP).

FOR APPLICANTS FROM INDIA ONLY

Student Partners Program (SPP) – Proof of Funds

Citizenship and Immigration Canada (CIC) has developed a special application process called, Student Partners Program (SPP), which fast tracks the Study Permit application process for students in India.

If you are applying for a Study Permit through SPP then you have 2 options to demonstrate you have sufficient funds to study in Canada.

1. Guaranteed Investment Certificate (GIC) – Preferred

The GIC option is the preferred option by the CIC to prove financial ability to study in Canada. The GIC can be purchased through Scotiabank. If you choose this option to apply for your study permit then you must submit your application with:

- A copy of the fee receipt for 2 semesters tuition
- A copy of a GIC certificate for \$10,000 CAD from Scotiabank to cover living expenses.

Scotiabank has provided a designated email address to answer all GIC enquiries. Students, who do not live near a Scotiabank or Kotak Mahindra Bank, can obtain all necessary information and apply online. To contact Scotiabank directly for information on securing the GIC, please email studentgic@scotiabank.com

2. Educational Loan from an Indian Chartered Bank

Students applying for a Study Permit through this option must submit their application with:

- A copy of the fee receipt for 2 semesters tuition
- A copy of an Education Loan from an (acceptable) Indian Chartered Bank equivalent to \$10,000 CAD to cover living expenses.

For more information on the SPP program, how to apply for a GIC, and a list of acceptable Chartered Indian banks please visit: <http://www.vfs-canada.co.in>
